

LESSON FIVE: EXAMINING OUR BELIEFS

What are some of your thoughts and feelings toward the woman who has had:

- An abortion after a sexual assault?
- Two abortions?
- An abortion while married?
- An abortion after she had a pregnancy test at our pregnancy care centre, and you were her support worker?
- An abortion while married and both she and her husband are professing Christians?

What are some of your thoughts and feelings toward the following scenarios:

- A girl is assaulted at a party.
- A person is assaulted at a church.
- Your friend is the victim; the accused; the perpetrator.
- Your child says that a family member made them touch him on his private parts.
